

Sooooo..... due to my extreme lag in doing anything with my podcast, I have taken tomorrow off (from both work and family) to record and post-prod all the remaining chapters. This is the only way I think I can get back into the saddle, and finish the book via podcast completely.

I won't be releasing them all in the same day, but will try and spread them out about 3-4 days at a time.

Again, I don't think there are many listeners, but if there are any out there that are reading this, tomorrow is D-Day for me, so think good thoughts.
