Real Estate and Home Buying's Favorite Site- Relocate-America's™ Top 100 in 2008

Welcome to Relocate America's 11th Annual Top 100 Places To Live! Throughout the year, we accept nominations for cities & towns throughout the country to be considered as a "great place to live". The nominating parties must include their own reasons why they feel their city should make the list. The nominations, along with key data regarding education, environmental greenworthiness, economic opportunity, parks & recreation choices and real estate & home ownership options are reviewed, rated & judged by our editorial team. We list the TOP 100 places to live and rank the TOP 10 on consistency and number of nominations received.
